No. 1464/Pr.S/ICA/17

Dated, the 10th March, 2017

Sub: Policy for releasing of all Advertisements in Print & Electronic Media from all Government departments (including Corporations, Public Sector Undertakings) by I&CA Department.

It has been earlier decided by the highest authority that advertisements in the media issued by any Government Department will be routed through I&CA Department for release. After such release, bills raised by media houses are sent to respective departments for payment from their respective budgets. This instruction was communicated by Chief Secretary vide No. 60(61)-CS/2014 dated 28.05.2014, after concurrence of HCM.

It has lately been observed that some advertisements are still released directly by Departments/agencies/corporations/autonomous bodies.

It is therefore necessary to bring the entire scope of work within one consolidated process, so that the following objectives for all Government advertisements/ publicity materials are achieved:

a) uniformity leading to
d) uniformity in publication cost
b) greater recall value
e) leading to transparency, and

c) cost saving from better bargaining by Government.
f) single-point monitoring (through a special cell) of all information and publicity materials disseminated by all Deppts. of the GoWB.

It is therefore decided that henceforth all Government advertisements, for all Departments/Corporation/PSUs, will be designed by them and sent to I&CA Department for a single-window release, directly by this Department.

However, advertisements of all Municipal Corporations and Municipalities may be kept out of the ambit of this procedure.

The procedure under this policy will be as follows:-

1. The concerned Department will prepare and send the final creative layout in all languages (Bengali, English, Hindi &Urdu, as may be necessary), to I&CA Department, for release in any media whether Print, Audio-Visual, Electronic or Internet. Regarding selection of vehicle or media, I&CA will take decisions according to their guidelines. Software may be developed by I&CA Department and all the releases may pass through this software.

2. For such creative design, the Departments will utilize the services of the creative agency / agencies selected and empanelled by the I&CA Deptt. through tender and notified to all Deppts.

3. It is clarified here that I&CA department will not execute the job of translating the creative from the original to any other languages. The responsibility of finalizing the creative in all languages, and sending the same to I&CA Department, rests with the requiring Department.

4. The concerned department may, in such cases, also specify the languages in which they want to release their advertisements (as per original & translated versions sent by them). It is clarified that in the absence of such specification from the relevant Department, the I&CA department will release the creative prepared only in the original language to all media.

5. Such final approved and translated versions of the creatives must reach I&CA Department at least 3 (three) working days prior to the date of publication, thus allowing time for finalization, as stipulated in Chief Secretary's Memo No. 60(61)-CS/2014 dt. 28.5.2014.

6. The bills for such releases, raised by the media in which released, will be presented to the requiring body / Deptt. as before, with a copy to I&CA Department.
7. Any release in the media which includes a picture or any mention of HCM should first be presented to the CMO for clearance before it is placed to the I&CA Deptt. for release.

8. All releases under this policy would be made by the I&CA Deptt directly or through empanelled agencies, provided that in the latter case such releases are more economical and result in savings to the Govt. in comparison to the rates effective for direct releases. In such cases, the agency making the release will also make the required payments to the media concerned and thereafter raise bills to the I&CA Deptt. The Deptt. will pay the amount to the agency concerned.

9. The existing rate structure with different newspapers is valid till March 2017. I&CA Deptt. will take a review to revise and fix rates immediately, taking into account the circulation, reach and quality of the publications and other media, as well as the prevailing genuine market rates. Empanelled agency/ agencies' services may be sought during negotiation to finalize rates compatible with prevailing market rates.

10. In the case of releases in various local newspapers in districts, the releases may follow the same system except that the district offices will place the matter to the DICO. Where required, the DICO may also seek the help of the empanelled agency / agencies selected by the I&CA Deptt. for release of advertisements.

Apart from these procedural guidelines, the following points may also be noted:

- Digital media such as internet portals, e-zines, streaming sites etc. will also be evaluated by I&CA for accreditation and for release of advertisements / information.
- Magazines and periodicals (local, national and international) shall be similarly evaluated, accredited and used by I&CA Deptt.
- Outdoor advertising should be used not only in the urban areas and across the State but also at select sites e.g. airports, across the country, as per decision of I&CA Deptt.
- For specific events or initiatives, international media may also be used by the requiring Deptt. in consultation with I&CA Deptt.
- The I&CA Deptt. will source data to identify the reach and target group of all media and specific publications / channels / portals etc.
- The I&CA Deptt. will also prepare a clear profile of the different types of releases in media i.e. whether it is a public service message, announcement of an event, announcement of a scheme, information on public services etc. and clearly identify the target groups to be addressed by each communication. The media to be used for each category should be classified and used according to their reach in the specified category e.g. for grassroots communications in rural areas, the Lok Prasar Prakalpa should be the medium of communication, whereas for an announcement to an urban audience appropriate newspapers and audio-visual media should be used.

This order will take immediate effect.

Memorandum

Subject: Empanelment of Agencies for Designing Creatives for Government Advertisements in Print/Electronic (Radio and Television) Media and Outdoor Publicity and for Release of Government Advertisements to Media

The need for a uniform look and feel for the State Government’s advertisements was under the Government’s active consideration for some time. After undertaking a thorough review of the whole system of Government advertisements – right from the conception/design stage to release in different media, and considering the steadily-growing requirements of Departments/agencies of the State Government, the Government finds it necessary to empanel advertising/creative agencies which have the capacity to mount a robust image-branding for the State Government both within the State and outside.

2. Accordingly, an e-Tender exercise was undertaken by this Department to empanel reputed and established agencies for the purpose of (i) designing creatives for the print/electronic (Radio and TV) media and outdoors; and (ii) release of advertisements to media.

3. On the basis of the evaluation of the agencies that had bid in the said e-Tender (e-Tender notice no. 2649-ICA (N) dated 7/9/2017 and e-Tender ID no. 2017_ICAD_127896_1), it has been decided to empanel the following agencies for a period of three years (subject to their satisfactory performance):

For designing creatives for the print/electronic (Radio and TV) media and outdoors

The rate chart (based primarily on DAVP’s rate chart) for preparing creatives in different (print/ electronic / other) media on the basis of which the e-tender was called and the agencies empanelled, is enclosed with this Order, which may be followed until further orders, for paying the empanelled agencies for the services rendered.

6. I&CA Department’s current Policy dated 10/3/2017 states that release through an agency would be considered if it is economical/ financially beneficial to the Government. The decision whether to release advertisements through an agency or not will rest with the I&CA Department alone, to be done in consonance with the State’s Policy in this regard.

7. The current Policy dated 10/03/2017 (read with the corrigendum dated 07/07/2017) also stipulates that release of advertisements by the State Government Departments, including their statutory bodies, para-statal organisations, undertakings, etc., are to be channelized centrally through I&CA Department (while payments for advertisements can be made directly by the indenting Department concerned, upon receipt of bills from the media house concerned). This stipulation is reiterated for the benefit of all concerned. No Department shall release advertisements to media, either directly or through a release agency; the release of advertisements, either directly or through an agency, shall be undertaken by the I&CA Department alone.

8. All Heads of Departments of the Government of West Bengal are advised to take necessary action accordingly.

ORDER

No. 1570/ICA/N/AD/DM/-141/2018

Dated, 12th June 2018

Sub: State Government’s Public Information Campaigns at the
Netaji Subhash Chandra Bose International Airport, Kolkata

Appreciating the need for an effective public outreach campaign, the State Government has taken a number of measures in the recent past to streamline the system of Government advertisements, with the objective of having a robust and readily-recognizable branding for the State Government’s public information campaigns.

2. One step in this direction was the I&CA Department’s Memorandum no. 3089/DI dated 01/11/2017 which, pursuant to e-Tender formalities, had notified a panel of creative agencies, along with the rates payable, for designing creatives (for print and electronic media) for all State Government Departments and undertakings, in order to ensure a certain thematic uniformity, visibility and ready recall value among the public.

3. I&CA Department’s earlier Order contained in no.1464/Pr.S./ICA/17 dated 10/03/2017 as well as the said Memorandum also specified that all Government Departments, after having the creatives prepared by one of the empanelled agencies and after obtaining the competent authority’s approval, would send the same to the I&CA Department for release to the print and/or electronic media (as the case may be), i.e. all advertisement releases of the Government Departments and their undertakings would be done centrally by the I&CA Department alone while the bills/ costs would be defrayed by the respective Departments.

4. Now, in the same perspective, for undertaking publicity campaigns at the Netaji Subhas Chandra Bose International Airport, which is the gateway not only to Kolkata but the entire north-eastern region of India, and is witnessing substantial passenger growth, it has been decided that the Information & Cultural Affairs shall be the Nodal Department for the Government’s public information exercises at the Netaji Subhas Chandra Bose International (NSCBI) Airport.
5. Hence, all Government Departments and their undertakings interested in undertaking public information campaigns at NSCBI Airport are advised that there shall be a single-window release system, and the intending Departments, after having the creatives prepared by one of the empanelled agencies as per Notification dated 1/11/2017 and after obtaining the competent authority's approval, shall forward the same to the Director of Information in the I&CA Department along with translated versions for centrally arranging release / display of the material at NSCBI Airport, Kolkata. The bills / costs of the campaign would, have to be borne by the respective indenting Departments; a separate communication on the rates, etc. will be issued by the I&CA Department in due course.

6. Since the creative material supplied by a Department would have to unavoidably undergo some minor changes to fit into the audio-visual/ clock formats of the pre-installed display machines at NSCBI Airport, it is advised that apart from the approved creatives, the creative material in High Definition/ High Resolution raw format also be supplied to I&CA Department. Ordinarily, a Government Department would be expected to approach the I&CA Department with the approved creative material a week ahead of the intended date and period of display.

7. All Government Departments and their State undertakings as well as Corporations/PSUs may take necessary action in the matter.
